

**ELEMENT LUXURY APARTMENTS RAISES MORE THAN \$5,000  
FOR ST. JUDE CHILDREN'S RESEARCH HOSPITAL®**

Element Apartments announced today that their charity event raised more than \$5,000 for St. Jude Children's Research Hospital, one of the world's premier centers for research and treatment of pediatric cancer. More than 100 people gathered for the charity event at Element Apartments on July 22 to enjoy refreshments, appetizers and silent auctions. Among the variety of silent auction donations was a signed football by Tampa Bay Buccaneer Quarterback Josh Freeman. Many vendors such as StoneChef Fusion Caterers and Edge Entertainment donated their time and services to make the event a success.

"We are proud to support the life-saving work of St. Jude Children's Research Hospital and their efforts to make a difference in the lives of so many children," said Bobby Anderson with ST. Residential. "This event provides an opportunity to create awareness of St. Jude while also bringing together our local community and residents."

Element Apartment is owned by ST. Residential and managed by Greystar Real Estate Partners. The community is located in downtown Tampa and features 395 luxury apartments, including one and two-bedroom floor plans. The apartment homes range in size from 727 to 1,333 square feet of living space and one bedroom apartments are priced from \$1420 per month and two bedrooms from \$2100 per month. The luxury apartments are built to standards usually reserved for high-rise condominiums. Residents enjoy a resort-style pool and amenity deck, with exceptional city views. Apartments like 10-foot ceilings, floor-to-ceiling windows, premium imported granite, and stainless steel appliances are featured throughout the high-rise. **About St. Jude Children's Research Hospital®**

St. Jude Children's Research Hospital is internationally recognized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. St. Jude is the first and only pediatric cancer center to be designated as a Comprehensive Cancer Center by the National Cancer Institute. Founded by late entertainer Danny Thomas and based in Memphis, Tenn., St. Jude freely shares its discoveries with scientific and medical communities around the

world. St. Jude is the only pediatric cancer research center where families never pay for treatment not covered by insurance. No child is ever denied treatment because of the family's inability to pay. St. Jude is financially supported by ALSAC, its fundraising organization.
